Notes:-

Thank you all very much for taking part & a special thanks you to all the marshals & helpers. Peter, Paul, Mike, Kevin, Dick, Mark, Derek & Trevor (All Dolphin MC), Keith & Janet (Devizes MC), Andrew & Grace (Dolphin MC) opener. Glynn (Basingstoke MC) & Philip (Oxford MC) Closer.

Code Board E80 went missing & 9L was a substitute for one that also went missing. Car 6 had a WD at TC4 & cars 10 & 11 has WD's at TC5.

No crew last time at the level crossing so no adjustments had to be made.

Only one difference was found after checking the Time Cards today, that was car 3 missed 2 code boards & not 4 as we had them down on Friday night so only had 27 marks & not 47. This meant that they moved up to 7th overall above car 8 also on 27 marks as car 3 was furthest cleanest.
